Making birthday wishes come true

Let Cinnamon Catering help you stage a birthday party that your child will remember forever.

Whether you have twenty guests or two hundred, want traditional party favourites or a themed menu, we can help to make your child's birthday wishes come true.

Party themes

The style can be as simple or as sophisticated as you wish. Entertainment can range from face painting to a fairground – and everything in between. Catering can be anything from sausages on the barbecue to a lavish banquet fit for a little prince or princess – the choice is yours.

Party food for the parents

Ensure the parents don't leave on an empty stomach. Our selections of mouth-watering finger food are sure to be a conversation starter!

Birthday cakes

Whether it's a fairytale castle or a dragon's lair, a ballerina or a racing car, we can help turn the cake of your child's dreams into a reality.

Party management

Cinnamon Catering can help you plan and organise the complete birthday party, from theming and catering, to entertainment and cleaning up afterwards.

At Cinnamon Catering, our experienced team can efficiently handle everything from equipment rentals to entertainment. We can save you valuable time and money leaving you to simply relax and enjoy the party with your family and friends.
